EUROPEAN ROLEPLAY APPROACH

Dragon Legion is a community of people from all over Europe, united by a shared passion: Bringing people together across borders with unique RPG adventures, events, and game design.

Tou.Play is a local organisation based in Puglia which aim at create meaningful relationship among peopole by sharing the values of game based learning, european citizenship and social innovation through non formal education and youth work.

This **ERA** youth exchange wants to use the European Roleplay Approach to start a new and fresh way to develop the key competences of the european youth.
